Lawton Tubes Guarantee

The Lawton Tube Company Limited ("Lawton") guarantees its copper and stainless steel tubes, fittings and accessories for the period determined in the 'Product Guarantee Table' outlined below, from the date of purchase. We guarantee these items against defective materials or incorrect manufacture. We also are committed to this guarantee if there is a failure to comply with the provision of the quality standard stamped on the tube.

If any tube or fittings shall fail, Lawton shall:

- Replace the faulty items.
- Pay the installer's costs of removing or replacing the faulty tube and fittings (up to an amount of £75,000 per claim.)
- Pay any costs or damages suffered/incurred as a result of the failure (up to an amount of £250,000 per claim.)

Lawton reserves the right to remedy the failure itself or by its own nominated contractor.

Conditions

This guarantee is conditional upon:

- Proper installation of the product in accordance with all relevant practices and regulations. No guarantee applies to grade 304 stainless steel when used in potable water applications.
- Lawton being notified of the failure as soon as practicable but in any event within 14 days after the failure.
- The claimant taking all appropriate or necessary measures to mitigate the damages or losses suffered.
- Lawton being given the opportunity to inspect the defective items and the installation (with or without its own experts) to satisfy itself as to the failure of the product, and if required to remove the faulty items for testing.
- Lawton having no liability for any indirect or consequential losses.
- Lawton's total liability under this guarantee not exceeding the sum of £250,000.

This guarantee extends only to the original purchaser/installer of the product and is not capable of assignment and applies only to the product sold and installed in the United Kingdom.

In all other respects Lawton's Standard Conditions of Sale apply (a copy of which is available on request). Our technical details, warranty statement and full terms & conditions are available on request, or by visiting our website www.lawtontubes.co.uk
